Hon G.O. 110 I-C 26/0, dated 30/10/12, a lumpsum grant of Rs 2000 was placed at the disposal of the Comptroller for temporary Establishment.

15 He now applies for Rs 1000 more for the current official year, for the reasons urged in his letter, the important ones being- (1) increase of work & (11) delay on the part of the Govt. in sanctioning the revision or increase of his permanent Establishment.

16 There is a provision of Rs 5000 in the budget, for revision of Establishment out of which the grant of Rs 1000 may be made, if it is decided to sanction the proposal.

17 I doubt whether this is a mere question of re-appropriation as the lumpsum limit fixed by Govt. has to be outstripped now.

18 While sanctioning the lumpsum grant of Rs 2000 this Hon'ble Member was pleased to observe as follows :— " The Government should, of course, insist on the restrictions laws down being strictly observed

In G.O No. FL 2676, dated 30/10/12, a lumpsum grant of Rs 2000 was placed at the disposal of the Comptroller for temporary establishment. But the Comptroller now requires an addition of Rs 1000 to it owing to increase of work and suggests that this amount may be reappropriated from Rs 5000 provided in the current budget for revision of the Comptrollers' Apa establishment.

SIR,

I have the honor to state that out of the lump sum provision of Rs.2,000/- provided in the Budget under "Temporary Establishments" of my office, a sum of Rs.1,618-8-8 has been spent up to the end of January 1913, leaving only a balance of Rs.381-7-4 which is quite insufficient to meet the cost of the temporary Establishment for the next four months of the year. I have already in my letter No.8288/R.2 dated 29th June/2nd July 1912 explained the urgent need for strengthening the the establishment, and all along it has been found impossible to manage the increased work with the existing permanent Establishment, and as the proposal for the revision of the permanent establishment has not yet been sanctioned by Government, such of the sections of my office as were badly in need of help had to be strengthened by the addition of a few temporary hands paid out of the above lump sum grant. In view to arrange also for more efficient work in the office the usual practice of entertaining only Matriculates on Rs.15/- out of the temporary grant was departed from and two graduates on Rs.30/- were entertained experimentally, for being trained and taken to the permanent Establishment when suitable

vacancies occur. Further, a fourth division of the Local Audit Department has been formed afresh and additional hands have also been given to the existing divisions for bringing the work up-to-date.

2. The cost of all this additional Establishment is being - met out of the same lump sum provision of Rs.2,000/-. Under these circumstances, it is impossible to manage without an additional - grant for the remaining four months of the year unless in the mean-time the revision of this office Establishment is sanctioned.

3. I, therefore request that the sanction of Government may be obtained for the extra expenditure which may be incurred over the temporary grant (which is almost entirely due to the revision of this office establishment not being sanctioned up to now) being met out of the lump sum grant of Rs.5,000/- made in the current year's Budget for the revision of this office.
